

GATEWAY

RESIDENCES

It is a contemporary, Low-rise residential tower that has been designed with a free flowing facade, which reflects the surrounding elements of nature. Located on the serene main island at the heart of the Mina Al Arab Community. Each apartment is designed to make optimum use of space and create flowing, open living spaces, enhanced by large floor to ceiling windows. Spacious balconies have been created to take advantage of exceptional views of the tranquil waterways and the natural beauty of the island.
